Center for Zakat Management (CZM)

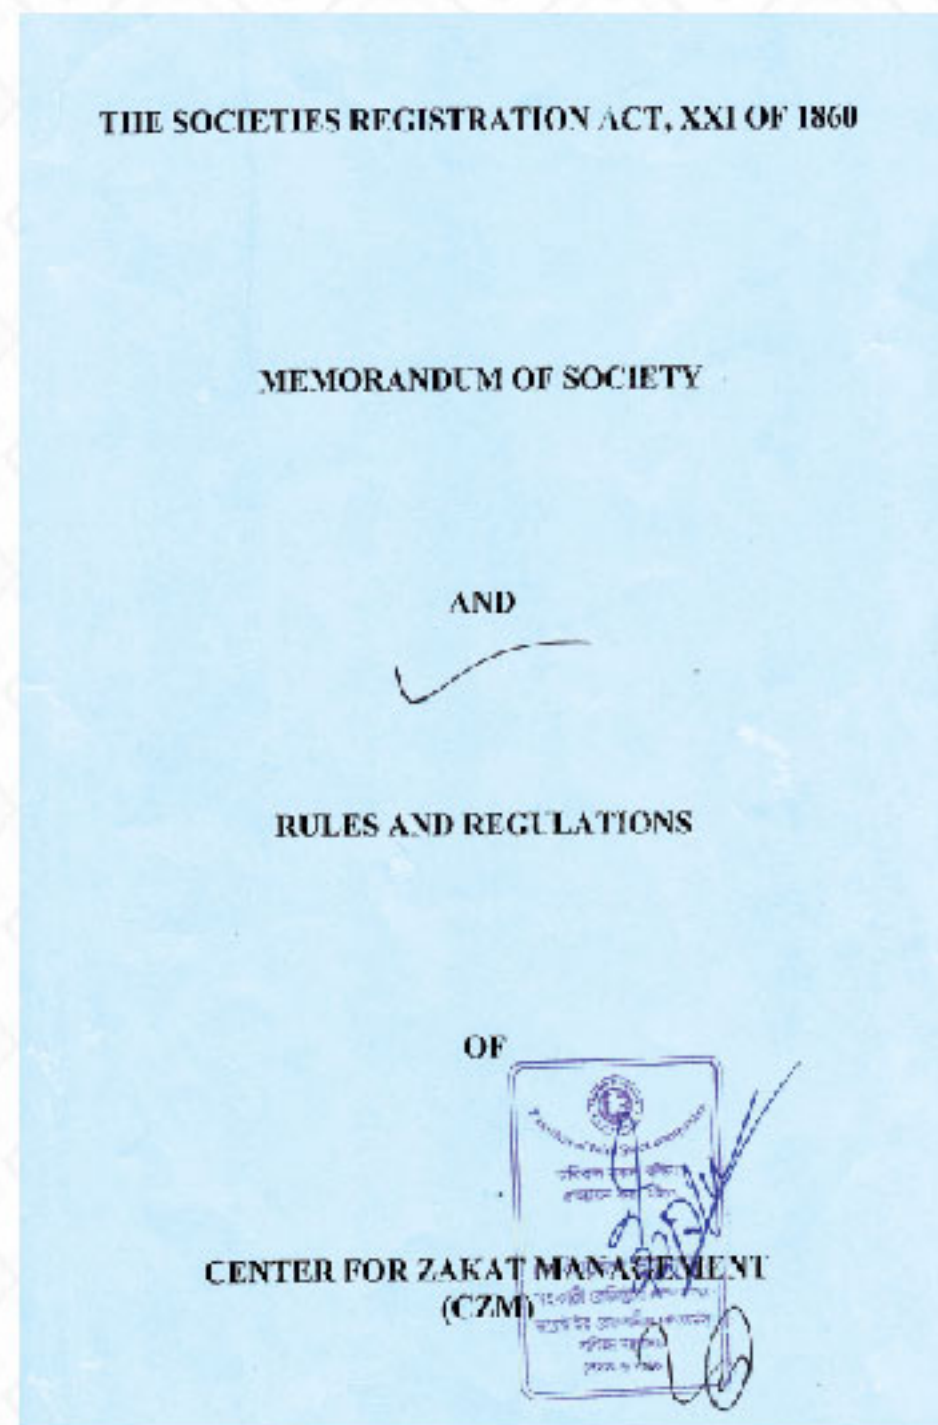

তাদের মালামাল থেকে যাকাত গ্রহণ কর যাতে তুমি সেগুলোকে
এর মাধ্যমে পবিত্র এবং বরকতময় করতে পার। সূরা আশায্যে ৫: ৬৬

মৌলানা আবুল কালাম আজাদ (সি.এস.এ.)

Journey of CZM

On 14th September, 2008, Center for Zakat Management (CZM) started its journey as a charity organization. It was registered in the Department of Joint Stock Companies & Firms under the Societies Registration Act, 1860. CZM acts as an institutional platform aiming at enhancing mobilization, disbursement and effective utilization of Zakat fund. CZM has defined specific objectives, pragmatic strategies and appropriate methodology for proper distribution of Zakat as per tenets of Shariah. CZM developed an organizational structure with qualified and efficient human resources. Besides, transparency and accountability in the decision making process and financial management have also been ensured.

Vision

To achieve satisfaction of Allah (SWT) through promoting the obligatory system of Zakat ordained by Him.

Aspiration

To establish a just society free from socio-economic poverty through equitable distribution of wealth as per tenets of Islam.

Mission

Be a credible social institution promoting awareness about Zakat and mobilizing and distributing Zakat Funds as per shariah principles by addressing the immediate needs of the deprived and poor and implementing sustainable programs for improvement of their standards of living.

Objectives

- To create awareness and enable Muslims to fulfill their religious duty of payment of Zakat in a proper way as per the directives of Islam
- To ensure proper utilization of Zakat fund for the well-being of the poor segment of our society as per tenets of Islam
- To establish effectiveness of the system of Zakat, as an implementable strategy for reducing poverty and bringing prosperity to our society
- To facilitate an institutional platform to enhance collection, disbursement and effective utilization of Zakat fund

Strategic Plan

Institutional Management of Zakat

Centre for Zakat Management (CZM) is a social enterprise, aiming to promote the obligation of Zakat set by Allah as an economic tool for bringing prosperity to the needy. CZM works with the mobilization and effective distribution of Zakat in an organized and planned manner. CZM is also engaged in increasing awareness about Zakat along with informing people regarding the proper calculation method. With Zakat fund, CZM has been operating organized projects and has managed to change the lives of many individuals and families during last 10 years (2008 - 2018).

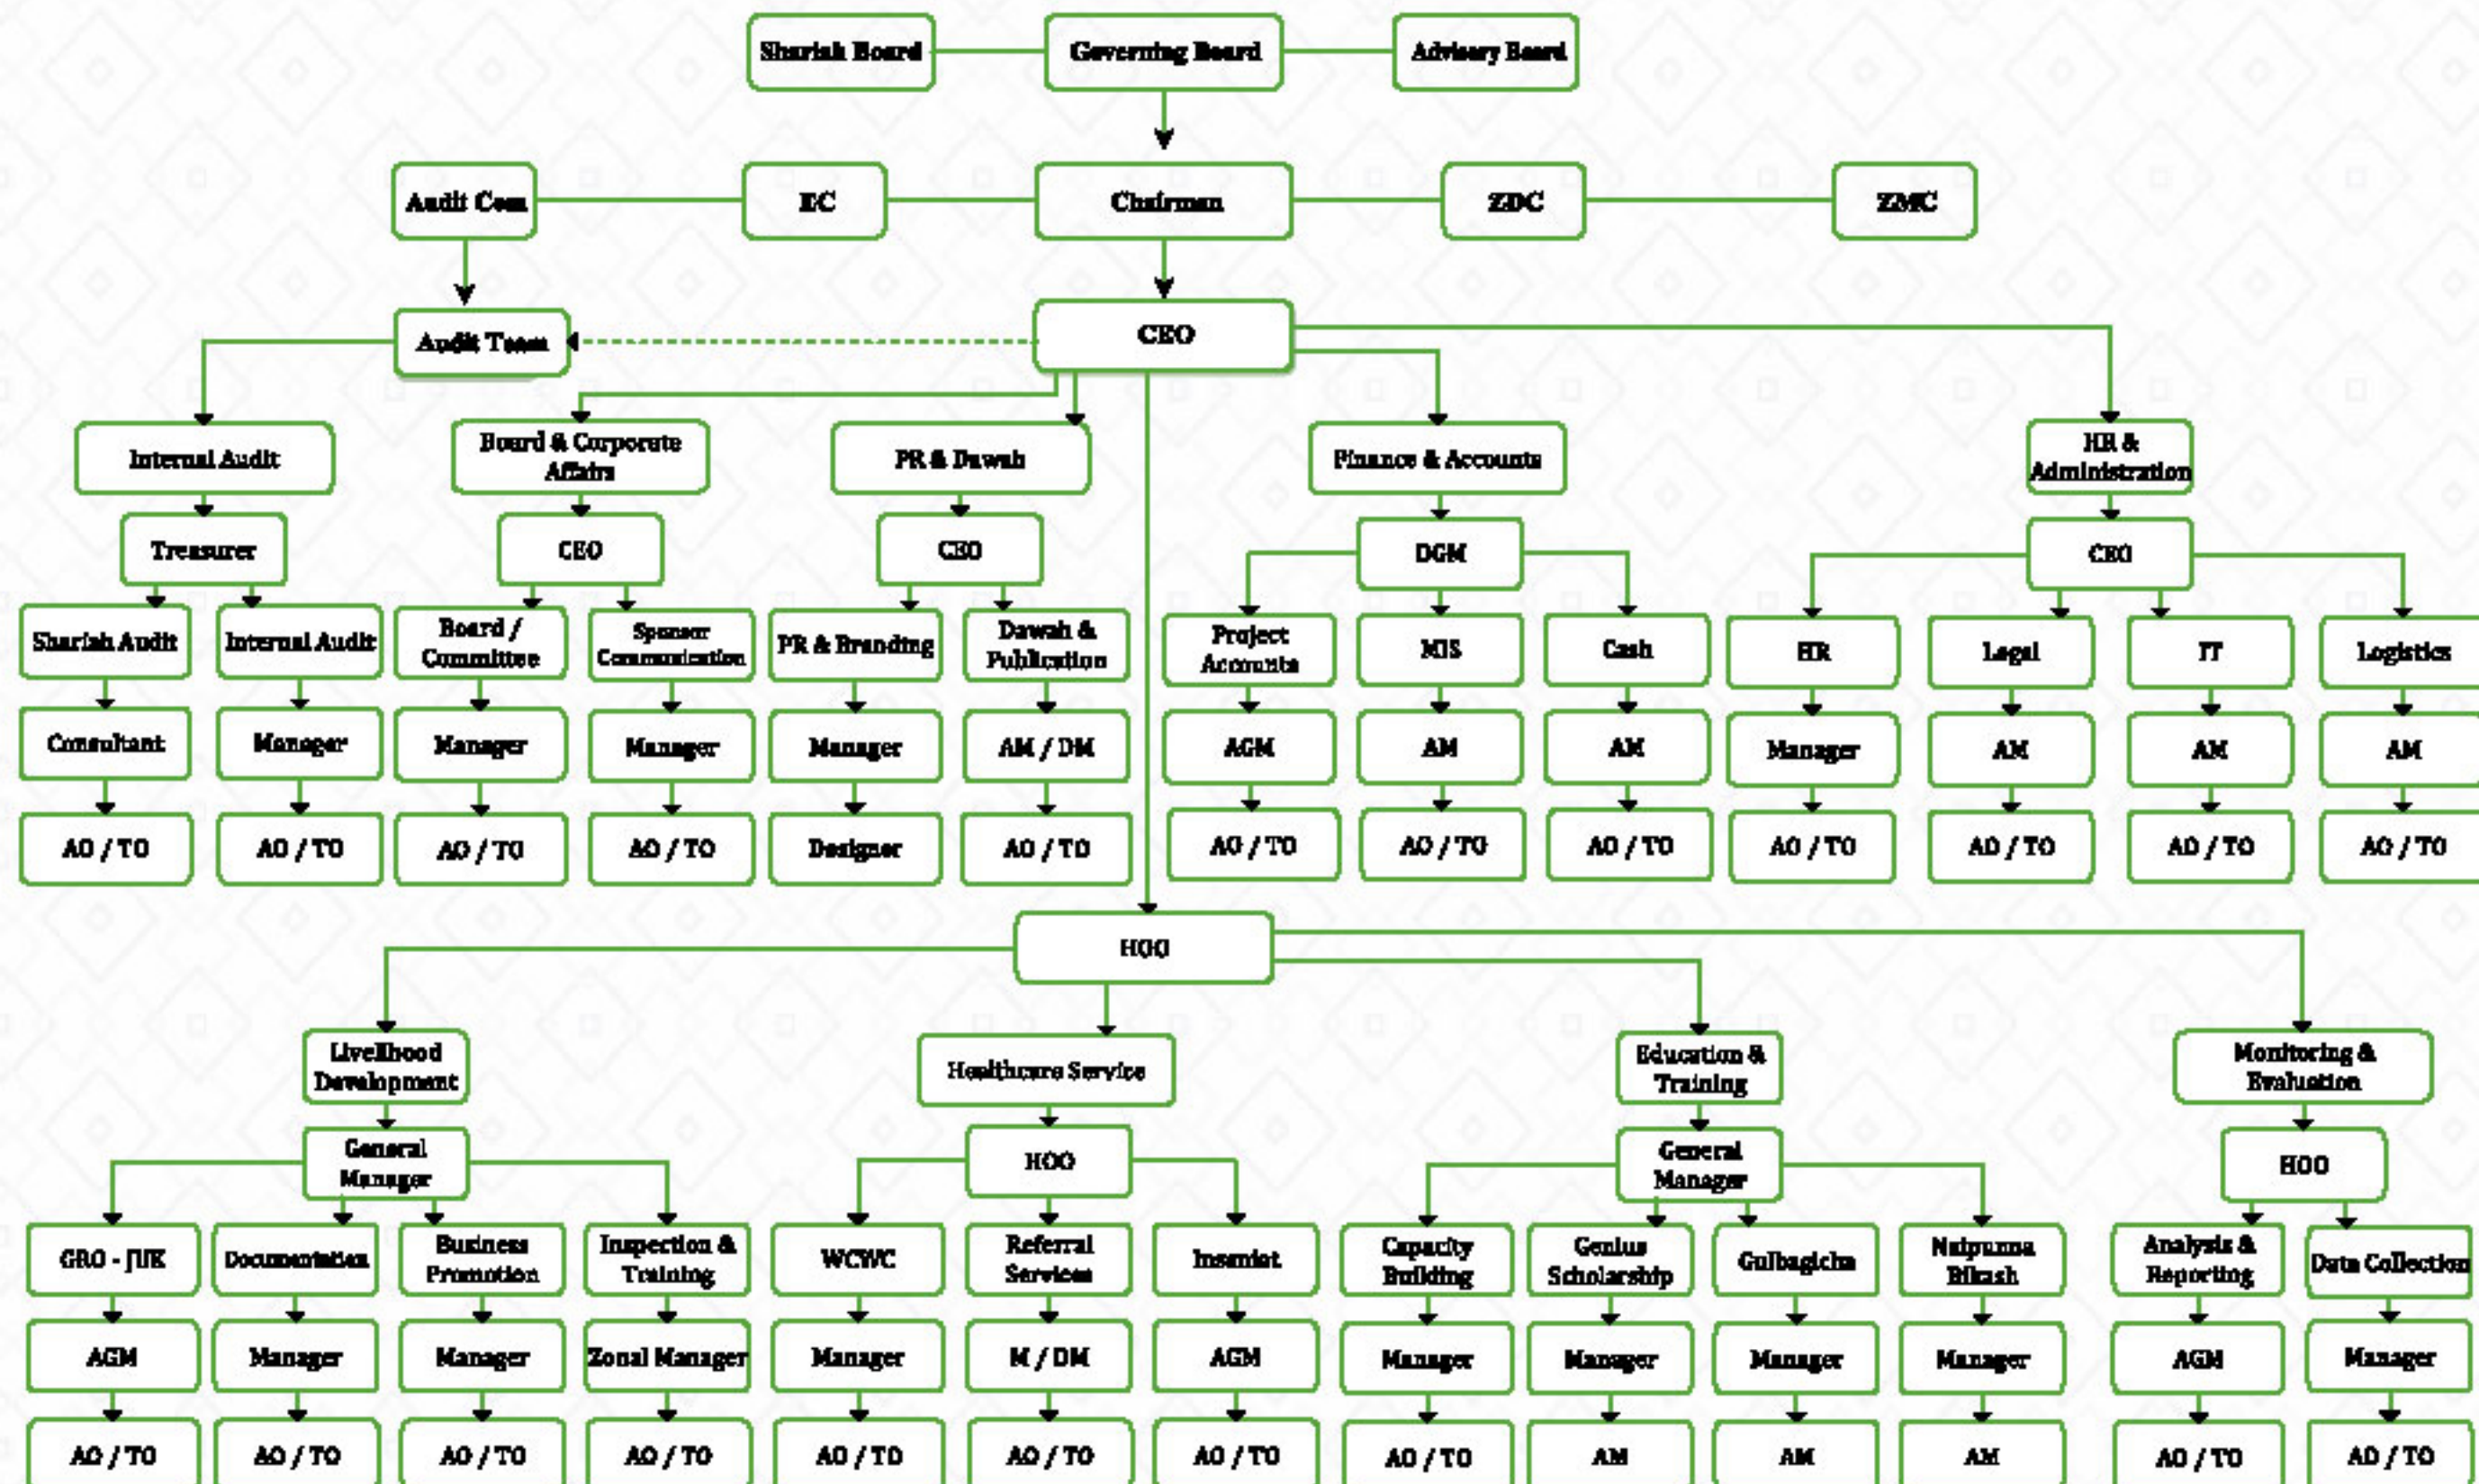

CZM Strategies

- Social Initiative for mobilizing Zakat & Charity for equitable distribution of wealth
- Integrated methodical approach for result oriented utilization of Zakat & Charity
- Provides managments services through institution building for effective mobilization, distribution & utilization of Zakat ensuring transparency & accountability

Strategic Plan

- Six Year strategic plan was implemented during 2010 - 2015.
- Five year strategic plan is being implemented during the period of 2016 - 2020.

CZM Organogram

Dawah - Zakat Fair 2013 - 2018

For the last 6 years, CZM has been organizing Zakat Fair with a view to creating awareness about Zakat in Bangladesh.

Dawah - Zakat Fair 2013 - 2018

One of the main objective of Zakat Fair is to showcase how Zakat is contributing in the development sector of Bangladesh.

Presentation to Hon'ble President of the People's Republic of Bangladesh

A representative of CZM paid a courtesy visit to Honorable President of Bangladesh Mr. Abdul Hamid on 1 August 2017 to brief about CZM and its activities.

Zakat Disbursement Program

Jeebika - Livelihood and Human Development Program

Jeebika Program is aimed at sustainable livelihood development of the poor. It is an integrated program for development of living standard that covers income generating activities along with health, education and humanitarian support in order to extricate them out from the shackles of poverty. The program is being implemented in different areas of the country and more than 12000 families are supported through the program.

Jeebika - Livelihood and Human Development Program

After selecting the Mustahiqs (Zakat receivers) under Jeebika Projects, they are given Fund for Income Generating Activities (IGA). The Fund is transferred to their own bank account (with ownership).

The program Mudareeb is designed to support the micro entrepreneurs. Enrolment in this program is carried out through a check of multiple issues such as the person's resource potential, his knowledge and experience, attitude, and most importantly the market demand of the product and services of the enterprise. The successes of these micro-enterprises are dependent on the strengths of a community and their ability to exploit local comparative advantages. The services are provided as per the need of the target groups.

Mudareeb - Micro Enterprise Development Program

The micro entrepreneurs are engaged in different productive activities.

Ferdousi - Women & Children Healthcare Program

The program is introduced for providing healthcare services & awareness building for distressed women and children. At Ferdousi Women and Children Welfare Center (WCWC), standard healthcare services are provided through appointing professional doctor and health assistant. In addition, CZM takes steps for installation of tube well for safe water and slab latrines for every household. CZM has so far served more than 135000 patients under the program.

Ferdousi - Women & Children Healthcare Program

One MBBS doctor visits Ferdousi Healthcare Center once in a week and one Health Assistant (Paramedic) provide service on regular basis.

Insaniyat- Emergency Humanitarian Assistance Program

Under Insaniyat Program, all kinds of humanitarian assistance are provided to the victims of natural or man-made disasters. CZM provides emergency food supports, medical treatment, winter clothes, financial support to address the immediate need of the distressed people.

Gulbagicha - Pre-primary Education & Nutrition Program

Gulbagicha Program aims at improving the quality of lives of the underprivileged children through providing primary education, nutritious food and healthcare services.

Under this program, pre-primary education centers are set up for each 25-30 underprivileged children of the slum areas of capital city Dhaka and rural areas. One teacher in each center teaches the children. They are provided with books, education materials and dresses free of cost. In order to cover up nutrition deficiency, foods are provided in the classes. Besides, counseling sessions are organized for the parents for moral and religious education.

Gulbagicha - Pre-primary Education & Nutrition Program

Currently, CZM is providing pre-primary education and nutrition support to 4000 underprivileged children. After 02 years of pre-primary education, CZM enrolls them to mainstream schools so that they can continue their studies. Since inception, CZM has provided pre-primary education to more than 30000 children.

Gulbagicha - Pre-primary Education & Nutrition Program

US Ambassador to Bangladesh H. E. Marcia Bernicat visited CZM Gulbagicha Pre-primary Center at Bagdumur village at Sirajgonj.

Naipunna Bikash program aims to provide skill development and vocational training to the unemployed youth in order to build them up as skilled resources for appropriate employment.

The program is being implemented through three vocational training centers located at Dhaka, Faridpur and Sayedpur with the facilities for trainees including tuition-fees and other related academic expenses, such as examination fees, laboratory fees, monthly stipend commensurate with the cost of living and orientation for moral development and practicing religious values.

Naipunna Bikash - Vocational Training for Unemployed Youth

After completion of training courses, trainees are assisted to get employment or to be self employed. So far, CZM trained around 2500 unemployed youths.

CZM CENTER for Human Development

CZM has established a capacity building center called 'CZM Center for Human Development' in order to organize different training programs for CZM employees including teachers and health assistants.

The Granada School (TGS), Savar, Dhaka

CZM operates a formal school (English Version) named 'The Granada School' for the underprivileged Children at Savar.
